

## Don't forget tonight.

Come and check out what has been happening, bring along your friends and family.

### Club Development Officer

We are very excited to welcome Casey Stevens who has been appointed as our Club Development Officer. Casey and her family have a long history both past and present with our club. It's fantastic that we have been able to give another one of our club members an opportunity to be employed by our club, and with Casey's passion for both NPOB and surf lifesaving we believe she will be a real asset to our club. As well as taking over the coaching role, Casey will be involved in a number of other aspects of the club. She will become a familiar face around the club this year.

Welcome Casey and we look forward to having you on board!

### A word from Casey....

I'm glad to be coming home from Australia to a club with a lot of potential. In being a competitive Old Boys member previously it will be good to grow the club. I enjoy the water and also surfing so I'm sure we can get a few good wave sessions in this summer.

I'd like to get some strong improvements in both the senior and junior teams. Lifeguards get prepped up for some competitive patrol challenges.

If anyone has any ideas to bring to the table in helping grow NPOB I am open to communication. We need a well-rounded squad ready for Nationals for not only beach but IRB, lifeguard and pool competitions. A good set of values, goals and motivated leading lifeguards is what should be around this winter but it is completely up to the squad to decide these values and direction.

I'm open to options such as raffle nights, yoga sessions and Sunday surfs or bbqs as long as you're all training hard.

So spread the word, tell any friends in other sports that could be strong team players. I'm happy to grow NPOB into a big club with a high standard of competitive and balanced lifeguards.

## **AGM**

Save the Date - AGM will be held Friday 29 July, 5.30pm at NPOB Clubrooms.
